

Perfect Fit

A fusion of fashion and yoga, **A Day with Fé** is catching the attention of Hong Kong yogis with a collection that guarantees to take you from Sunday brunch to yoga studio looking fabulous. Sportswear with an elegant touch, the pieces are so comfortable yet stylish, you won't feel bad about spending your day in your workout attire. www adaywithfe.com

What's Hot

Home Sweet Home

Luxury fashion house **The Swank** presents an in-house collection of fragrances for the home. Housed in a sleek black carafe with a gold topper and black diffusing sticks, the fragrance infuses the home with one of two scents, Darhan and Fjord. While Darhan is a warm woody spice, Fjord evokes a peaceful calm with its pine and jasmine notes. www theswank.com.hk

Sugary Touch

Parisian Patisserie **Ladurée** launches its collection of cosmetics in Hong Kong that is as beautiful as its mouth-watering macarons. The pretty pastels that are the signature of the brand become the focus of the **Les Merveilleuses** collection, which includes a range of lipsticks, blushes, eye shadows and more. The girly design of the packaging perfectly embodies the brand's French roots and its feminine spirit. www.laduree.com

Fresh Spritz

Famed perfumery **Guerlain** extends its talents for making scents to a collection of children's fragrances. **Petit Guerlain** offers two interpretations of fragrances, one for boys and the other for girls. The scents are formulated for the delicate skins of children from ages three and up. The sweet freshness of these perfumes can also be spritzed on linen, accessories and toys. www.guerlain.com

Mini Fashionista

Armani Junior enlists the help of young Hollywood actress **Quvenzhané Wallis** in its latest autumn/winter campaign. The Oscar-nominated actress plays the part of a joyful girl in the campaign, dressed in the latest from Armani Junior and posing alongside an adorable pup. www.armani.com

Ring of Hope

Providing healthcare for new born babies and their mums, **Bulgari** has raised over USD 27 million through its special range of pendants for **Save the Children**, a charity that penetrates deep into developing and conflict-affected countries to help those in need. Recently, the jeweller launched a new ceramic and silver **B.zero1** pendant and ring, where proceeds will go to further the charitable cause. With every sale, USD100 will be donated to improve the lives of children in need. www.bulgari.com

Taking the Plunge

Be it poolside or beachside, there's nothing wrong with making a fashion statement with your swimsuit. **Hermès'** latest swimwear collection, featuring numerous one-piece suits, is inspired by the house's famous scarfs. And the perfect accessories to pair with these colour block and vibrant patterned swimsuits? A couple of ice-cold cocktails. www.hermes.com
